

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example unlawful use of the media. I hearly am sending this formal complaint, and am asking for immediate action against them.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, we get more of what's good for the bottom line and less of what we need for our democracy. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them.

Please stop this before they influence a presidential campaign with this unlawfulness.
